- **Potholes on East Avenue:** Supervisor Smith updated the Town Board and public on his effort to convince the New York State Department of Transportation (DOT) to repair the heavily deteriorated section of East Avenue between St. John Fisher College and the Pittsford Village Line. The Supervisor wrote a letter to the Regional DOT Office in early May expressing the urgency of repairs. The response from DOT was less than adequate and made no commitments. The Town offered to perform the repairs, but the DOT refused. Following subsequent phone conversations, a Maintenance Manager with the DOT committed to having a crew repair the potholes during the week of June 18th. The Manager also committed to deploying a milling machine in mid-July to mill and repave a badly deteriorated section in the vicinity of Bragdon Drive.
- **Community Choice Aggregation:** Supervisor Smith reminded the public of the Town's Second Community Choice Aggregation public meeting. The meeting is scheduled to take place on Thursday, June 21st, 2018 at 6:00 P.M. at the Pittsford Sutherland High School Auditorium.

He noted that RTS' public comment period concludes on June 30th and asked that all Board Members submit their comments to him for the purpose of conveying them in a joint-letter. The Supervisor also noted that he has been in contact with Bill Carpenter, President & CEO of RTS.
